

TANGOSTUDIO LA YUMBA

Hygiene concept

In the studio:

The 3G rule applies to our courses and Tango à la carte evenings.

We are obliged to check vaccination, recovery or officially issued test certificates: In the case of a PCR test, the respective test must not be more than 48 hours old or in case of a rapid test 24 hours old and must be presented to us when entering the studio. If you have mild symptoms (e.g. fever, dry cough, breathing problems, loss of taste and / or smell, sore throat, body aches), please definitely stay at home. Even people who have had contact with people who tested positive for Sars-Cov-2 in the past 14 days are not allowed to attend classes. Please wear a medical mask outside of the classroom and observe the usual distance rules.

Please arrive no more than 10 minutes before the start of the lesson / practica in order to avoid overlapping with the participants of the previous course in the studio and stairwell. Please change your shoes in the dance room and use the chairs available at the tables for two for your jackets.

For activities with increased breathing air emissions, a distance of 2.50 m is required, which must be maintained in the dance room. To ensure this, we have marked the floor in the dance room accordingly.

In class, the teachers give verbal corrections, aids and tips on request and depending on the size of the group, if more than 4 couples are present.

Miscellaneous:

During these times, the studio is cleaned and ventilated regularly. It could therefore be a little cooler. Bring something warmer to wear. Handles, handrails and surfaces are also disinfected more frequently.

You will find disinfection facilities in the foyer. Access to the toilets is regulated by a traffic light system (light off: free, light on occupied). We are obliged to document your presence.

In order to trace any chains of infection, we are obliged to keep the lists for 4 weeks in order to be able to present them to the competent authority on request. The data contained in the lists will be carefully stored by us and will be deleted again after this period has expired. By participating in classes and dancing at La Yumba, you agree to these rules.

Thank you very much for your cooperation!
